Dear Sridhar,

At the outset, many thanks to you and your Color Care team for completing the external and internal common area painting for Golden Cove Apartment during Feb-Mar 2014. The job has been completed to our satisfaction within committed timelines and budget. Right from the work order stage until final completion, the interactions with you were very pleasant and you demonstrated flexibility and good supervision on the entire process. We have got positive feedback from our residents that the building looks brand new now. The painting process and spray equipments used helped giving the building an elegant and aesthetic look.

I'm sure the quality and professionalism of your work would speak for itself and needs no advertising. On behalf of all owners and residents of Golden Cove Apartment, we wish to express our sincere thanks for the wonderful and professional service extended by you and your team. All the very best for your upcoming projects!

Thanks,

S. Ravishankar
